

## Driving Restrictions, Goods Transport Hungary, 2025

### ***Vehicles concerned***

goods vehicles, agricultural tractors and their trailers of over 7.5t MPW

### ***Region***

throughout the road and motorway network

### ***Restriction***

a) from 1 July to 31 August:

from Saturday 15h00 to Sunday 22h00;

from 22h00 on the eve of a public holiday to 22h00 on the day of the holiday

b) from 1 September to 30 June:

from 22h00 on the eve of Sundays and public holidays to 22h00 on Sundays and public holidays

*NB:* when a public holiday precedes a Saturday or Sunday within the period a), or a Sunday within the period b), the driving restrictions apply nonstop from 08h00 on the first day to 22h00 on the last day.

During the winter period from 4 November to 1 March, the abovementioned restrictions do not apply to vehicles of EURO 3 standard or higher operating in international transport

### ***Exceptions***

a) The first category consists of vehicles that are allowed to operate during restrictions without any further limitations:

- vehicles operated by the armed forces, police, national security services, prison authorities, fire brigade, civil defense, customs authorities, National Transport Authority, emergency vehicles;
- vehicles used for prevention or assistance in cases of disaster;
- vehicles used in cases of accident or breakdown;
- vehicles involved in community work (including town/village cleaning services, waste removal, public utilities repair services);
- transport of fresh flowers or plants to the exclusion of all else;
